**Bring Prayer To All American Defenders of Freedom**

## **STANDING IN THE GAP**

### **EXECUTIVE SUMMARY:**

14 April 2007

- Thanks pour in daily from Chaplains all over the world – a humbling, emotional experience.
- Shipments are being made to Iraq, Afghanistan, Qatar, Kuwait, Germany, Japan, Hawaii, and places that are undisclosed, plus the major bases in the United States.
- To date 31,000 **Prayer Tracts** and **Prayer Reminder Coins** have been shipped and we have backorders for 12,000, while waiting for the next two shipments totaling 25,000 to arrive.
- Daily orders average between 1000 and have been near 3500 several times.
- From the Post Office to Iraq – 6 days.
- Tracts and Coins are supplied to Chaplains without charge – including shipping.
- Costs have gone up for both the Tracts and Coins.
- Funding is the ministries greatest challenge.
- There are not enough hours in the day.
- **Thanks for your support.** We know there will be troops in Heaven thanking us for making their eternity with God possible. Keep on Keep'n On! Jesus tells us time is short.

The week of 23 April I will be attending the annual Air Force Chaplain's Conference in Washington. I have also planned multiple office visits while back there. I'll be staying in the home of Mark and Nancy Petersburg. Mark, for many years was ahead of The Christian Embassy and has been a great help in starting this ministry.

A few buddies have been helping with the packing and shipping, and several neighbors have been curious, observing the garage shipping activity and also want to help. Doesn't get any better than that.
