GENERAL INFORMATION:

Daily ADOF receives: thanks, testimonies, Certificates of appreciation and donations from Chaplains. The bang for the Buck could not be better - for \$2.35 a troop, any place in the World gets the message of Salvation and a coin to carry as a remember to pray. One Chaplain in Iraq doing convoy work between Baghdad and Kuwait, where he describes it as "one of the worst threat zones in the country," encourages his men to put the coin in their boot each night so that every morning they are reminded to pray.

CHAPLAIN TALK:

"Thanks for helping us to bring Jesus to Paratroopers and Paratroopers to Jesus." **CH Hawkins** "What a blessing the Tracts and Coins have been. I have had a chance to share with my Commanding Officer and Sergeant Major." **CH Jessup** "The soldiers on the Army Tract are from my Division – our unit has lost 20 soldiers and over 90 wounded during this deployment. Please pray for God's protection." **CH Choi** "Thanks for what you are doing for us over here. I look forward to not only draw soldiers to prayer but to Christ." **CH Densford** "Thanks for helping me reach the troops with God's love and salvation." **CH Hardin** "Your ministry is a Godsend..." **CH Nash** "I recently received one of your coins. Thanks for all you are doing for the troops. **MSgt Rogers** "I keep it (Coin) with me every day. When I touch it or take it out, I am praying for our 11 deployed Chaplains, their soldiers and their families." **CH Day**

Think on this – Jesus said, "... all things are possible with God." (Mark 10:27) Therefore, I believe that we can pray big. Please join with me in prayer that no Troop, Sailor, Air Man or Marine be lost to eternal death without personally having the opportunity of accepting saving faith in Jesus. I ask you to covenant with me to **pray this daily**. ADOF provides an avenue that pursues this end.

For Him, who is able,

Bill
