Bring Prayer To All American Defenders of Freedom

STANDING IN THE GAP

EXECUTIVE SUMMARY:

Issue 6

19 September 2007

- **Good News!** Re-supply of Prayer Reminder Coins is only days away. It has been almost 3 months since we have shipped Tracts and Coins. The current requests, from Chaplains exceed 47,000. The re-supply order was limited to 40,000 Coins and delivery is being spread over a 3 month period to space out the fund raising.

GENERAL INFORMATION

- ADOF is a one man ministry; therefore, the task of fund raising falls on me. \$80,000 remains to be raised to pay for both a Coin and Tract re-supply.
- Our goal remains to reach 180,000 troops a year with the Gospel Message of Christ. The cost of doing this is \$2.35 to get a Prayer Tract and Prayer Reminder Coin in the hands of a troop any where in the World. **The cost – insignificant – the value of eternity with Christ – priceless.**

CHAPLAIN TALK

Chaplain Gerald Snyder writes from Kuwait: **“Dear American Defenders of Freedom, I am writing to thank you for your fabulous support of the Camp Buehring Post Chapel ministry. You all have been abundantly generous, dedicated and proactive in your support of the troops here. Thank you for sending the Army, Air Force, Navy and Marine Corps coins and tracts. This has been a huge boost for our ministry here. I have been able to acknowledge the outstanding efforts of our chapel volunteers and encourage the transient chaplains and chaplain assistants. Your message of “Be Strong and Courageous” is spreading throughout the AOR (area of operations). There is a great sense of God moving in the lives of the soldiers here. There is no way I could ever repay your kindness. You are wonderful ministry partners! You have made a huge impact here. Thank you! God be with you!”**

Chaplain Snyder enclosed a 5X8 foot American Flag flown on a combat mission in Iraq. My wife Sue and I were guests in an area last week where new condominiums are pre sold at \$3900 per square foot. Her comment was, “the flag is worth more than all of those condo’s.” I agree!!!!

On our website, www.americandefendersoffreedom.com, the new **Faith Highlight** features Navy Chaplain Trent Jessup, serving in the Marine Corps. As you can see in the photo, the process is one troop at a time.

Thanks to you, the message of Prayer and Salvation is being carried to our troops all over the World.

For Him, who is able, Bill
