

AMERICAN DEFENDERS OF FREEDOM™

Bring Prayer to All American Defenders of Freedom

A Monthly Briefing for those **STANDING IN THE GAP**

EXECUTIVE SUMMARY:

Issue 8

19 November 2007

- The message is **Thanksgiving** defined as **Thanks to our Military for giving their all**. We are in debt to the few who daily give their all for the freedoms enjoyed by so many.
- Indeed, 1.4 million in our military provide a World wide check against forces of evil. Take away the United States Military and the Earth would soon revert to the dark ages. 0.02% of the World population is thinly spread around the World keeping the powers of darkness in check.
- Our Chaplains stand in the gap fighting spiritual forces of evil and influencing the spiritual well being of our troops. Help our Chaplains as they encourage our troops and stand against the devil's schemes.

GENERAL INFORMATION:

- Our donors have been extremely generous; however, the ministry has not been able to develop funding to match the demand for Prayer Tracts and Prayer Reminder Coins.
- Additional funds will be raised by charging Chaplains the ministry cost for Tracts and Coins. A plan is also being developed to involve Churches in Chaplain support. Donor support to the ministry will continue to be encouraged.

CHAPLAIN TALK:

- CH David – Iraq
“I serve 1500 Soldiers and Airmen transporting critical supplies and equipment. We have logged over 10 million combat miles over the length and breadth of Iraq. I am able to offer encouragement and a prayer before each convoy. It is awesome to see their faces light up when I hand them a prayer reminder coin. They smile and put it in their breast pocket to keep it close to their heart. ...on many occasions when they see me ... they pull out their coin and talk about God's faithfulness and protection.”
- CH Don – Afghanistan
Before Don became a Chaplain he served as a combat Captain in Iraq. “Your coins and tracts are making a huge difference. PFC Dan Bayless, who just gave his life to Christ, has one in his pocket! I leave for another trip of battlefield circulation and I confess to you that I am more nervous this go-around than ever before. There is great potential of bad things happening. As prayer warriors, when you think of me and my assistant and wonder why you haven't heard from us, simply pray.”
- CH Alan – Pentagon
“I gave one of the prayer coins to a father who had lost his son, SSG Joshua Mattero. Your prayer coins are helping family members too...God bless you...”
