

AMERICAN DEFENDERS OF FREEDOM™

Bring Prayer To All American Defenders of Freedom

A Monthly Briefing for those **STANDING IN THE GAP**

EXECUTIVE SUMMARY:

Issue 10

22 February 2008

- The demand for Prayer Tracts and Prayer Reminder Coins is high and will soon even be greater as the Army and Air Force are once again planning to publish the ministry in their Newsletters. The Navy and Marine Corps provides our information to the Chaplains in less formal ways.
- Last month my report was not clear on the Tracts and Coins shipped for 2007. Restated, 72,000 Prayer Reminder Coins and 80,000 Prayer Tracts were shipped last year – all from my garage.
- A few days ago, I made the first ministry presentation to a church group. Hearts were touched and many people elected to make donations. **Are there any doors you could open for the ministry?**

GENERAL INFORMATION:

- Last year we were not able to ship over 40,000 Coins and 40,000 prayer tracts because of the lack of funds. Consequently some changes needed to be made to augment my “knock on the door, hail Mary” fund raising techniques. New alternatives have been introduced: Chaplains may purchase the Tracts and Coins; and Churches, individuals and organizations may sponsor Chaplains or a specific Chaplain to provide Tracts and Coins. The bottom line is that Military Chaplains do not have a budget to purchase ministry materials. Our website, server, and accounting program have all been updated and changed to accommodate these additions.
- Today, I shipped both Army and Navy Tracts and Coins. One order was completed because it was for only 200 Tracts and 200 Coins. However, the other order is for a base that stages thousands of troops monthly for deployment all over the World, 2800 Tracts and 2800 Coins had to be placed on back order waiting for funds.

CHAPLAIN TALK:

- CH Dondi, Air Force Headquarters, “keep fighting the good fight.”
- CH Don, Afghanistan, “I pray God will open up a door for you to get all the funding you need for the Coins. They have been a wonderful part of my ministry.”
- CH Frank, Korea, “You have gifted us with a powerful, gospel, energized tool to further spread the gospel of Jesus Christ. Your awesome ministry is a spiritual uplifting to our efforts to preach and teach the love of Christ to our military.”
- A ministry support couple wrote, “We are both moved by your desire to bring prayer to all American Defenders of Freedom. The photographs brought tears to our eyes as the realities of war worked their way into our hearts.”

American Defenders of Freedom ministry needs your prayer every day.
