#### **CHAPLAIN TALK** (Enjoy the blessing of their words of thanks)

**Army Chaplain Richard** writes from Forward Operating Base, Kalsu (Iraq). "Thank you for the coins – they are awesome! I give them out to my Troops to remind them that they are God's and God is with them at all times. I will be forever grateful!

There is a special bond between the Chaplain and his Soldiers; the only way I can describe it, it's a God thing. Each day I go out and see my Soldiers: I pray with the convoys before they roll out and walk through the motor parks or stay up to hang out with the night shift. Each day the Soldiers ask me when I will be coming out on missions with them. I go wherever my Soldiers go and I do what ever I can to let them know I care. I have the very best job in the Army and I have the very best Soldiers in my care. I am constantly on the lookout for ways to help my Troops.

Thank you again for all the love and support you have extended to our Soldiers and thank you **American Defenders of Freedom**; we are partners in a great cause. Don't ever doubt that your tokens of love, coupled with your prayers, build up the morale of our Soldiers and contribute to the success of our mission – **YOU ARE COMBAT MULTIPLIERS!**"

**Army Chaplain Randy** writes from Afghanistan. "On behalf of every Soldier's hand I will shake, leaving an Army Prayer Coin and Tract as a witness for our Lord Jesus Christ – I thank you for the coins and tracts, and particularly your partnership in Gospel ministry. I had been given a handful of coins by an Air Force Chaplain and immediately began giving them out to convoy commanders when we prayed. As a result of your ministry I will now be able to have a much broader witness."
