#### **Thankful for the Military**

The U.S. **active** and **reserve** Military totals almost three million. That number represents five hundredths of one percent (0.05%) of the World population. Imagine comparing a human hair to suspension cables holding up the Golden Gate Bridge – that is our Military size compared to the World population. Our Military has value beyond delineation to the World and life as we know it. It has been said that, if the United States ceased to exist, unrestrained evil would overtake the world in less than ten years. There is not now nor have there ever been other nations willing to spend their capital to deploy troops to defeat evil, while refraining from targeting civilians, provide civilian relief and then rebuild defeated nations? We are the only country that has from our Christian root beginning been willing to protect others from evil in hostile locations all over the globe. The strength and character of our Military comes from a high level of training, proficiency, leadership skills, morality that is steeped in checks and balances and belief in the value of each individual. **There is no other sector of our society that shares these credentials plus the willingness to die for us so that we can live in freedom.** Take a moment and contrast the observables of our politicians, media, actors and professional athletes to our Military.

Please join me in prayer for our Military in their fight against global evil – yes, **global evil – enemy combatants – terrorists.** Politicians no longer like these terms – remember the freedom to use these expressions was paid for by American blood on battlefields all over the World. American Defenders of Freedom believes our ministry can help keep our Military strong by supporting Military Chaplains to take the Gospel message of Jesus Christ to U.S. troops all over the World. Our **Prayer Booklet** and **Prayer Coin** are of great value to Chaplains sharing Christ with the troops - they are powerful and effective for the cause of Christ and supplied without charge.

**Please consider what you can do to help!** How much does eternity in Heaven cost? Actually nothing in dollars; however, for \$2.50, a Chaplain can be equipped with our great evangelical materials. Our Prayer booklet has a strong Biblical message to share Christ and His message of salvation. The \$2.50 also provides the troop with a silver Prayer Coin that is carried as a reminder of new found faith and to pray. So, you see, \$2.50 can go all the way to eternity.
